

Gratefully Dedicated to—

Mr. B.

"Let me live in a house by the side
of the street,

Where the students wander by—

The ones who are good, the ones who
are bad,

As good and as bad as I;

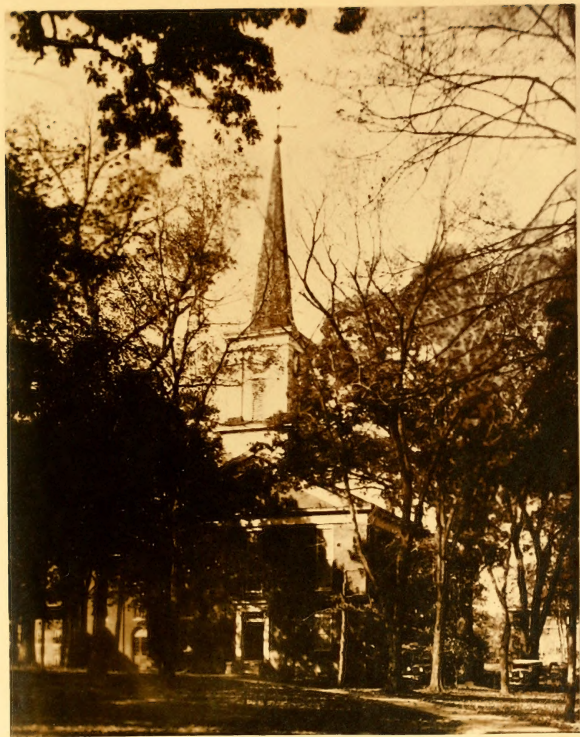

Let me not sit in the scorners' seat,
Nor hurl the cynic's bang,

Let me live in a house by the side
of the street,

And be a friendly man."
